Dr.Kamakshi Memorial Hospitals inaugurated a new High Dose Rate Brachytherapy system Flexitron, a robust and precise treatment delivery unit for cancer. Brachytherapy is a form of radiation therapy where a radioactive source is placed inside/near to the vicinity of the tumor via suitable applicators. This enables the tumor to get maximum doses and a rapid dose falloff to the surrounding normal tissues. This treatment modality can be used either in combination with external beam radiotherapy or as a standalone treatment

The Flexitron Brachytherapy system is Ir-192 radioactive source based high dose rate system which delivers treatment in a short time. This system enables safe and precise treatment delivery to the patients.

for specific cancer sites. Brachytherapy has its significant role in the management of many cancer sites like cancer tongue, Bronchus, Oesophagus, soft tissues, Buccal mucosa, Breast, prostate etc., but brachytherapy to cancer cervix and endometrium is a definitive mode of treatment.

A new brachytherapy system (Flexitron) was inaugurated by Dr Kamakshi memorial hospitals on August 02, 2024 at Ramada plaza, Guindy by the Chairman Dr TG Govindarajan and 40+ eminent radiation Oncologists. The event was organised to impart the maximum use of brachytherapy for the benefit of cancer patients. This event was celebrated on a tagline of "My Brachy", which will create interest on the young radiation oncologists to use the brachytherapy techniques for the management of cancers. A scientific session was also conducted where the stalwarts in the field

# Kidzee Pre School celebrates tigers

Kidzee Preschool - Kannappa Nagar branch and Valmiki Nagar branch celebrated International Tiger Day on July 29.

At both campuses, a special den was created to simulate a tiger's natural habitat, providing an immersive experience for the children. An informative assembly was held where educators spoke to the students about various threats tigers face, including poaching, habitat loss, and human-wildlife conflict. They explained the significant role tigers play in the ecosystem and emphasised the importance of collective action to ensure their survival.

Through engaging stories, interactive sessions, and creative activities, students learned about the plight of tigers and the steps that can be taken to prevent their suffering. The children were encouraged to think about the impact of their actions on wildlife and to consider ways they could contribute to conservation efforts.

## Marathon to popularise organ donation

On Aug.4, Global Event and Entertainment, Mohan Foundation and Factor Events and Entertainment organised a Tamilnadu 10K run at Olcott Memorial Higher Secondary School, Besant Nagar, to observe National Organ Donation Day (Aug.3).

The 10k run was flagged off by A.M.V.Prabhakara Raja (MLA from Consistency Virugambakkam) and Vanaja Krishnamurthy (Social worker and Treasurer of WIA Chennai). The special guests were Lion Dr.K.Indira (President of Lions Club of Madhavaram Truck Terminal) and Mr.Hariharan, a kidney recipient, who shared a few words on his successful life.

Mohan Foundation distributed brochures and donor cards to participants. Participants pledged for organ donation. Around 2000 people, including the physically challenged, participated in the cause and all received their medals and certificates. Winners also received mementoes.
