

JOINT VENTURES ARE COMMON. MEANINGFUL ONES ARE RARE.

Every landmark begins with a conversation. Not about square feet or quick exits.
But about vision, intent and what a piece of land can become over time. At
Sannareddy, **Joint Ventures** are not transactions. They are **long-term
partnerships** built on trust, clarity and shared ambition.

WE BELIEVE LAND DESERVES MORE THAN JUST DEVELOPMENT.

- It deserves a point of view.
- A design philosophy.
- A construction ethic.
- A promoter who understands value is created patiently and protected fiercely.

OUR APPROACH IS SIMPLE:

- Transparent dealings.
- Clear roles and shared decision-making.
- Design-first thinking that elevates the asset.
- Execution that respects timelines and capital.
- From design and approvals to handover fully managed.

Which is why our partners don't just see returns. They see their land transformed into something enduring. **If you own land in Chennai and are looking for more than a conventional JV**, perhaps it's time for a different kind of conversation.

Shakti Girls Project empowers Chennai's slum youth

Coaches Rizwana Farheen and H. Noor Basha are transforming lives in the Adyar-Kotturpuram area through slum soccer's 'Shakti Girls Project'. Over the last two years, the initiative has provided free football coaching to girls from local slums, using sport as a catalyst for social change and personal development.

The program extends far beyond athletic train-

ing, integrating essential life-skills workshops into its curriculum. Participants receive education on menstrual hygiene, sexual and reproductive health and rights (SRHR), and the prevention of gender-based violence (GBV), equipping them to make informed life decisions.

The project's impact was highlighted by the team's stellar performance at the National Inclusion Cup in Nagpur (February

2025), where they clinched the Orange City Cup. To further advocate for their cause, the group, on Jan.18, organised a celebration for National Girl Child Day, reinforcing their commitment to breaking gender barriers.

Under the leadership of Farheen and Basha, the Shakti Girls project continues to prove that the football field can be a powerful classroom for equality and empowerment.

◀ S. Steve Britto, a Grade 3 student at St. Michael's Academy, has secured a historic silver medal in the 500m event at the 69th National School Games Skating Championship 2025-26, held from Dec.25 - 30, 2025. Britto became the first-ever winner in the newly introduced Under-11 Boys category by the School Games Federation of India (SGFI). The young prodigy, who has been training since age three, was a 2023 Pan-India topper.

▼ The 9th Annual Sports Meet of Kidzee branches in Thiruvannamur - Kannappa Nagar and Valmiki Nagar was celebrated with vibrant energy and disciplined displays of sportsmanship. The event was presided over by Dr. K. Shanta Kumari, Vice President of the International Federation of Women Lawyers (FIDA), who lauded the young participants for their confidence. At the meet, young students showcased their coordination and creativity through various obstacle games and synchronised drill performances.

TAILS AND WINGS

We bring our young readers fascinating snippets about the wonderful and diverse creatures of land and sea. Experts in the field will share intriguing-and sometimes astonishing-insights into the curious and unusual behaviours of birds and animals. We hope you enjoy exploring this delightful section as much as we enjoy bringing it to you.

Unlocking the secrets of the animal kingdom

Starfish, also known as a seastar, is a marine echinoderm with no brain or blood. They have just a nerve ring around their mouth and a water vascular system that circulates seawater throughout their body. The hydraulic water vascular system facilitates their movement. Starfish have a high power of regeneration.

They can regenerate a lost arm and the whole body can be regenerated from a single arm!

Precision Oncology Meets Affordability

MGM Healthcare Malar, Adyar: Transforming possibilities for patients with advanced-stage cancers.

MGM Healthcare Malar, Adyar has successfully delivered its first CAR-T Cell Therapy, marking a landmark milestone in personalised cancer care.

This advanced therapy opens new treatment avenues for patients battling relapsed, refractory, or complex cancers, offering renewed hope when conventional therapies fall short.

A 70-year-old retired professional from Chennai, originally from Coimbatore, had been fighting Lymphoma for over eight months. After six cycles of chemotherapy, complications from pre-existing cardiac conditions prevented him from receiving full-dose treatment. With the disease relapsing and conventional options limited, he and his family faced not only a medical challenge but also the fear of high treatment costs. At MGM Healthcare Malar, Adyar, the patient found reassurance through a carefully planned, cost-conscious, personalised CAR-T Cell Therapy program, designed to optimise outcomes without compromising safety.

This innovative approach combined structured nursing protocols, judicious use of critical care resources, and optimal insurance utilisation, making advanced cellular therapy both feasible and affordable.

What is CAR-T Cell Therapy?

CAR-T (Chimeric Antigen Receptor T-Cell) Therapy is a revolutionary form of immunotherapy in which a patient's own T-cells are engineered to recognise and destroy cancer cells. It is particularly effective for patients with relapsed or advanced cancers, providing treatment options when standard therapies are no longer effective.

Dr. Suman Kalyan, Senior Consultant – Medical Oncology and Director of the CAR-T Program, said:

"Every patient is different, and every cancer behaves differently. Precision oncology allows us to tailor treatment even in the most complex and advanced cases. With structured, cost-conscious CAR-T protocols, we are making advanced cellular therapy accessible to a broader population, including both Indian and international patients."

This milestone reinforces MGM Malar's commitment to personalised, patient-centric cancer care.

The success of the program reflects the strength of a fully integrated, multidisciplinary team, including oncology, nursing, pharmacy, transfusion medicine, and critical care services. It also lays a strong foundation for expanding precision oncology services across multiple cancer types in the future.

To further increase accessibility, MGM Malar Healthcare will launch Second Opinion and Telemedicine services, enabling patients across India and abroad to consult directly with the CAR-T team and program leadership from the comfort of their homes.

With this first-of-its-kind initiative, MGM Healthcare Malar is redefining cancer care in India, demonstrating that even advanced-stage cancers need not signal the end of hope. Through innovation, precision, and compassionate care, MGM Healthcare Malar, Adyar continues to offer patients and families new possibilities, renewed confidence, and a brighter path forward.

Tholkappia Poonga walking slots increased six-fold

Responding to reports regarding restricted public access, the Tamilnadu government has announced a major policy shift for the Tholkappia Poonga (Adyar Eco Park). Starting Feb.1, the number of walking passes has been increased from the current 500 to 3,000 and the registration fees has been slashed by 50%.

To prevent a small group from monopolizing slots, the government will introduce a three-color identity card system, allowing holders to walk three times a week in the park. **Revised pass rates:** 1 month (Rs.250), 3 months (Rs.750), 6 months (Rs.1250), 12 months (Rs.2500). While walking slots were previously capped at 250 per session, the new regulation ensures a total of 300 visitors can be inside at any given time to maintain ecological balance.

- **Walkers:** 6.30 am – 8 am, 4.30 pm – 6 pm (Daily).
- **Students:** 9.30 am – 12.30 pm (Mon–Sun); Closed on Thursdays & Public Holidays.
- **Guided Public Tours:** 2.30 pm – 4.30 pm (Mon–Sun); Closed on Thursdays & Public Holidays.

The walking track has also been extended from 1.95 km to 3.20 km. For online bookings and further details, the public is encouraged to visit the official portal at www.crrt.tn.gov.in.

The renovated 58-acre eco-park, reopened on Oct.24, has become a thriving urban wetland hosting 6,843 students and 20,233 general visitors. A recent biodiversity survey revealed that the park is now home to 549 species, a significant increase from the 141 species recorded in 2011.

GCC collects 154 tonnes of waste to curb Bhogi pollution

To prevent air pollution during the Bhogi festival, the Greater Chennai Corporation (GCC) collected 154.17 metric tonnes of discarded items from residents between Jan.12 and 14.

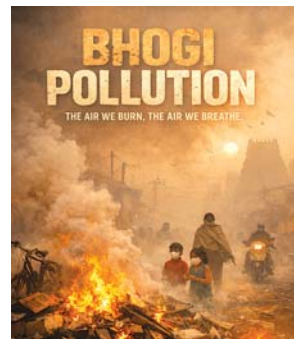

The initiative aimed to discourage the traditional burning of old clothes, tyres, rubber tubes, plastics, and

electronic waste on the day of Bhogi. To ensure wide participation, the GCC utilised battery-operated vehicles equipped with loudspeakers to spread awareness across all zones.

The collected waste was transported to Resource Recovery Centres (RRC) for segregation. Re-

cyclable materials were sent for processing, while non-recyclable items were directed to scientific incinerator plants for eco-friendly disposal.

This proactive measure significantly reduced toxic emissions, ensuring a cleaner environment for the city during the festive pe-

riod. Collection in Zone 13 (Adyar): 14.6 MT; Zone 14 (Perungudi): 8.55 MT; Zone 15 (Sholinganallur): 9.60 MT.

Pongal >

BVM celebrates Pongal with folk traditions and fervour

Bala Vidya Mandir Senior Secondary School, Gandhi Nagar, Adyar, celebrated Pongal Vizha on Jan.12 and 13, transforming the campus into a vibrant display of Tamil heritage. The festivities began with the inauguration of music concerts by Principal Daffenne Rodgers and Vice-Principal Shanthi Vasu, featuring student recitals on the flute, mridangam, and violin.

The event's highlight was an energetic folk art showcase by the PSNA Empathic Fine Arts Troupe, who performed Thappattam, Poikkaal Kuthirai, Oyilattam, and Silambattam. Students and teachers added to the cultural richness with Thiruppavai recitals and folk dances depicting harvest

life. Traditional games and a festive bullock-cart ride for Kindergarteners rounded out the two-day celebration, which was further enhanced by intricate kolams and thoranam prepared by the parents.

Probus Club of Chennai honours Thirukkural scholars and students

The Probus Club of Chennai celebrated the spirit of Pongal by hosting a special awards ceremony at the Gopalapuram Boys Higher Secondary School on Jan.12. Presided over by Club President M. Annadurai, the event conferred the Probus Thirukkural Virudhu upon renowned scholar M. Chakkaravarthi, recognised for his

lifelong commitment to propagating the teachings of saint Thiruvalluvar.

Chief guest N. C. Mohan Das, founder of Indian Frontliners and Penakkal Peravai, delivered a special address encouraging students to integrate these ancient ethics into modern life.

The program also celebrated student excellence, distributing prizes for oratorical and essay competitions sponsored by the endowments of late Probians C.R. Vaideeswaran, V. Chandra, and Captain M. Singha Raja. In a special tradition,

wristwatches were awarded to outstanding girl and boy students by the family of late T.T. Srinivasa Murthy. The event, coordinated by Dr. Bhavani and concluded with a vote of thanks by Secretary V. Ramaraj, brought together over 60 members, teachers, and students in a meaningful celebration of heritage and merit.

▲ EPIC Sustainable Solutions, Padur, hosted a vibrant and inclusive Pongal celebration featuring cultural performances by Irula tribal children and Girija, a specially-abled advocate. The event, graced by Senior Economist Sujatha and Janaki Pillai of Ability Foundation, honoured senior citizens from Padur Panchayat—including visually impaired individuals and frontline sanitary workers living without family support. The festivities concluded with traditional rituals and a community lunch, embodying a spirit of unity and shared joy.

◀ Members of the East Coast Beach Walkers Association (ECBWA) gathered in large numbers at Thiruvanmiyur Beach early on Jan.15 to celebrate Pongal. Dressed in traditional veshtis and shirts, the walkers offered prayers to the Sun God as the sun rose over the horizon. The shoreline echoed with chants of “Pongalo Pongal,” followed by the distribution of hot Sakkarai Pongal to all members and morning walkers.

Colours of community

The spirit of the harvest festival came alive at Seaview Apartments, Valmiki Nagar, as residents transformed their premises into a canvas of tradition. In a vibrant display of community effort, the women and children of the 1st Seawards Road complex gathered to celebrate Pongal by adorning their apartment blocks with intricate and colourful Rangoli designs.

The initiative not only brightened the walkways of the Thiruvanmiyur society but also served as a beautiful bridge between generations, as elders passed down the artistry of traditional patterns to the younger residents.

▲ Kolam by the children of Apartment block H82 - Rishika, Lakshitha, Shanthi, Vaishnavi.

▲ Kolam by the residents of Apartment block H85 - Vidhya, Indhumathy and Ambika.

▲ Kolam by the children of Apartment block H86 - Sri Nethra, Deaya Sai and Sri Neha.

Adyar resident Tina Fernandez releases Tech-thriller

Author Tina Fernandez released her third novel, *The Last Descent*, at Odyssey, Gandhi Nagar on Jan.19. A former cabin crew member and long-time resident of Adyar, Tina has penned a gripping narrative that serves as a poignant tribute to the victims of last year's Air India 787 tragedy in Ahmedabad.

The novel is centered on a catastrophic aviation disaster claiming 222 lives, mirroring the real-life tragedy where a plane nosedived immediately after takeoff. Drawing from her professional background in aviation, Fernandez uses the plot to explore a haunting central question: "How safe is man's total dependence on technology?"

Tina's previous work, *The Contagion Conspiracy*, was set against the backdrop of the global pandemic, investigating whether the virus was a natural pathogen or a man-made disaster.

The Last Descent is available at Odyssey, Gandhi Nagar, and other major retailers, priced at Rs.229.

Sangamam 2026: Akshar Arbol students unite for annual fundraiser

Sangamam, the annual fundraiser of the Akshar Arbol International School (AAIS), Injambakkam, is a signature event that reflects the school's commitment to creativity, service, and community engagement, as it brings together students, parents, alumni, and educators for a shared purpose.

The event transforms the campus into a vibrant carnival, with student-run stalls showcasing regional cuisines, handmade crafts, and innovative ideas. Beyond fundraising, Sangamam serves as a platform for creative expression, featuring performances in art, music, dance, comedy, and cultural traditions such as Uri Adithal, symbolising new beginnings.

Originally launched as a Service Learning initia-

tive in 2016, Sangamam has evolved into a legacy project led annually by the graduating students. The funds raised support diverse social causes, including women's health, animal welfare, education, old-age care, and initiatives for neurodivergent children, encouraging students to engage with real-world issues meaningfully.

"With participation from ELC1 (PreKG) through Grade 12, and active involvement from parents and alumni, Sangamam is deeply embedded in the AAIS culture.

More than an event, it stands as a celebration of compassion, leadership, and the enduring power of collective action," said team Sangamam.

Hindu School hosts HYPAR'25

Students of Class IX at The Hindu Senior Secondary School, Indira Nagar, Adyar, stepped into the shoes of lawmakers during HYPAR'25 (Hindu School Youth Parliament), held on Jan.7. Centred on the theme 'Voices of Today, Leaders of Tomorrow', the event served as a high-energy platform for budding diplomats to engage with national governance.

The proceedings were formally inaugurated by the chief guest, Chandra Chandrashekar, with the lighting of the ceremonial lamp, in the presence of Principal C. Kala. The mock session featured rigorous debates on

contemporary legislative issues, including education reforms, the Shanti Bill, and the renaming of MGNREGA.

The 'parliamentarians' demonstrated impressive clarity and confidence, tackling social and national concerns with a focus on collaborative thinking. By simulating the democratic process, HYPAR'25 successfully sensitised students to civic responsibility and teamwork, fostering the critical thinking skills necessary for active citizenship. The impactful session concluded with a call to the youth to remain empathetic and informed leaders of the future.

Free spoken Sanskrit classes and spiritual initiatives

With a mission to simplify and propagate the ancient language, Samskrita Bharati (Adyar) has announced a series of 10-day free Spoken Sanskrit classes in February. Ph: 98414 12360, 98847 98595; Schedule:

- Feb.2 to 11 at Kokila Dwani, Valmiki Nagar, Thiruvannmiyur;
- Feb.4 to 14 at Ramaniyam Shivani, East Coast Road, Thiruvannmiyur;
- Feb.6 - 15 at No.1/1, Krishnamachari Avenue, Adyar (Behind Gokul Arcade).

To ensure high-quality instruction, Samskrita Bharati also hosted a 'Train the Trainer' orientation on Jan.17 at Thiruvannmiyur. Senior teachers Lalitha Parameshwaran and Valli Kumar mentored 30 dedicated volunteers on effective teaching methodologies.

The session focused on creating engaging, joyful learning environments for diverse age groups, further strengthening the team's resolve to contribute to the mission of Sanskrit propagation.

Student-led carnival celebrates creativity and service

Sri Sankara Senior Secondary School, Adyar, recently hosted Sanfest, its high-energy annual carnival, on Dec.23 and 24.

Organised by the students of Class XI, the two-day event showcased youth leadership and school spirit through a variety of student-managed game stalls. The celebration followed two distinct themes: 'Sanverse' for the Primary section on Day 1 and 'Sanphoria' for the Secondary section on Day 2. The festive atmosphere was further enriched by external vendors, diverse food stalls, and active participation from parent-run booths.

Beyond the entertainment, Sanfest provided a valuable platform for fostering teamwork and creativity, while reinforcing the core values of empathy and social responsibility within the student community.

▲ An awareness meeting focused on preventing the spread of substance abuse culture among school students was organised by the Dr. Ambedkar Paadasaalai on Jan.11. Inspector Mohammed Buhari, J6 Thiruvannmiyur Police Station, attended as the special guest and shared vital awareness insights with the participants. Jeris Pritima, Headmistress of the Chennai Corporation Higher Secondary School, Thiruvannmiyur, also addressed the gathering to foster better understanding among students.

Letters >

Late-night drinking menace on street

■ I am a resident of Sastri Nagar, 2nd Lane. In recent times, almost every night around 11 pm at the street corner in front of VR Academy, a group gathers to consume alcohol until 1.30 am. Their behaviour often turns violent, leading to fights and the breaking of beer bottles against compound walls.

Every morning, broken bottles and glass shards litter the road, and even the corporation sweepers hesitate to clear them. VR Academy, which is part of Vidya Ratna School, appears to be the least concerned about this recurring menace. Although residents have raised objections multiple times, the issue continues unabated.

The situation is particularly alarming as there is a ladies' hostel on this street, and women employees are often dropped off here late at night, posing a serious safety concern.

I request the authorities to increase night patrolling and issue strict warnings to prevent further incidents.

- Name withheld on request.

Sorry state of playground in Besant Nagar

■ Refer to my letter published on June 1 highlighting the sorry state of the public playground on 32nd Cross Street, Besant Nagar; not much has changed in the last few months.

Recently, when I visited this playground, I noticed that, except for two lamp posts on the southern side, it was pitch dark until about 6 am. I request that the Chennai Corporation take action on a war footing to rectify the situation.

- K. Manichandar, Thiruvanniyur.

Urgent action needed against encroachment of footpaths by eateries

■ I wish to draw the concerned authorities' attention to the growing problem of eateries mushrooming on platforms and footpaths in Adyar, Sastri Nagar and Besant Nagar. While these stalls provide affordable food and livelihood opportunities, their unchecked expansion has created serious difficulties for pedestrians.

- Footpaths are completely blocked, leaving no space for people to walk safely.

- Pedestrians, including school children, senior citizens, and officegoers, are forced to walk on busy roads, putting them at risk of accidents.

- This situation has led to traffic congestion, safety hazards, and inconvenience for the public.

- The lack of regulation also raises concerns about sanitation and waste management in public spaces.

I kindly request the concerned authorities to take immediate action by:

- Clearing encroachments from footpaths and platforms, designating proper vending zones for street food stalls, ensuring strict enforcement of pedestrian rights and urban safety norms.

- M. N. Rao, Adyar.

High noise level due to diversion of all buses in South Avenue

South Avenue in Kamaraj Nagar, Thiruvanniyur, is a residential colony primarily inhabited by senior and super-senior citizens, retired civil servants, and former judges. The community also includes families with school-going children and software professionals working in nearby firms.

Each year, the number of private vehicles and cars has risen. This growth, combined with an increase in the floating population and changing commuting patterns, has led to a tremendous surge in share-auto traffic, resulting in significant noise pollution.

Furthermore, since Sep.1, 2025, all MTC buses from the Thiruvanniyur terminus have been rerouted through the northern stretch of South Avenue Road. In addition to

these, other state transport corporation buses and private omnibuses also utilise this route. These vehicles create unbearable noise pollution by persistently using high-pitched air horns and electric horns throughout the early morning, day, and night.

Despite multiple representations made to various authorities, including the Police and the Tamil Nadu Pollution Control Board (TNPCB), no action has been taken thus far. This high-decibel noise is causing severe health problems for both senior citizens and children.

Additionally, black soot from vehicles diesel autorickshaws is getting indoor.

We request the authorities to take immediate steps to address this matter and implement necessary restrictions to ensure a peaceful life for the residents of South Avenue.

- Residents of South Avenue.

Roaming cows at Vannandurai

■ The attached photos provide proof of wandering cows on T. M. Maistry Street, Vannandurai. These animals are a significant hindrance to smooth traffic flow, especially at night.

In one instance, only the quick presence of mind of a two-wheeler driver prevented a collision with a cow. This situation is likely reflected in most streets across Chennai. Although many readers have written about stray cattle on city roads, no positive action seems to have been taken by the concerned state authorities. We sincerely hope someone will address these inconveniences and dangers.

- N. Mahadevan, Vannandurai.

Chennai voter list revision: Deadline extended to Jan.30

The Election Commission of India (ECI) has extended the deadline for filing claims and objections regarding the draft electoral roll in Chennai to Jan.30.

To assist citizens with the registration process, special intensive camps will be organised at all 4,079 polling stations in Chennai on Jan.25. Eligible citizens can use specific forms based on their needs:

- **Form 6** is for new voters aged 18 and above or those whose names are missing;
- **Form 7** is used to object to an entry or request a name deletion;
- **Form 8** is for correcting existing details, changing addresses, or marking voters as Persons with Disabilities (PwDs).

Young grandmasters shine at state-level chess meet

The second Tamil Nadu State Level Children's Chess Tournament 2026, organised by Saturangam 360 Academy, was held on Jan.11 at BVM Global School. The competition drew young strategists from across the state, competing across various age categories for top honours in both boys' and girls' divisions.

The prize distribution was led by Madanagopal (ICC Umpire & IPL official) and Sripriya Lakshminarasimhan (Principal, BVM Global School), who lauded the participants for their discipline and tactical brilliance.

Beyond the chessboard, the event featured a holistic community focus, with Kauvery Hospitals conducting a mega health check-up for participants.
